

TRYZUB AWARDS GALA

THURSDAY MAY 8TH, 2025

ART GALLERY OF ONTARIO

An evening celebrating and recognizing excellence among outstanding individuals & organizations.

Sponsorship Opportunities

Join us in celebrating the profound legacy of the Ukrainian-Canadian community at the Tryzub Awards Gala, an embodiment of over 130 years of invaluable contributions to Canada.

Created by The Myhal Family Foundation, this premier event unites our nationwide community. The 2025 Gala will be the first to take place under the newly formed leadership of The Tryzub Gala Foundation.

In 2024, our collective efforts raised over \$500,000, and this year, as we focus on supporting humanitarian efforts and initiatives related to the war in Ukraine, your sponsorship promises to amplify this impact. Secure a prime position at this highly anticipated, sold-out affair, gaining unrivaled visibility within the Ukrainian-Canadian community and Canada's business community.

Align your company with distinction, showcasing a commitment to social responsibility.

With past honourees like Timothy Snyder and Global Medic, your sponsorship ensures an unforgettable evening. Let's craft a narrative that spotlights your brand's dedication, fostering lasting connections within our thriving community.

See you on May 8, 2025, as we continue to make history together!
